

Scope and Sequence/Pacing Fifth Grade *My Math*

STRAND	TITLE	MONTHS TAUGHT
Number and Operations in Base Ten (NBT) Strand	Place Value (Chapter 1) Multiply Whole Numbers (Chapter 2) Divide by One-Digit Divisor (Chapter 3) Divide by Two-Digit Divisor (Chapter 4) Add and Subtract Decimals (Chapter 5)	August September October mid-November
Number and Operations-Base Ten (NBT) Strand Operations and Algebraic Thinking (OA) Strand Number and Operations-Fractions (NF) Strand	Multiply and Divide Decimals (Chapter 6) Expressions and Patterns (Chapter 7) Fractions and Decimals (Chapter 8) Add and Subtract Fractions (Chapter 9)	mid-November December January mid-February
Number and Operations-Fractions (NF) Strand Measurement and Data (MD) Strand	Multiplication and Division of Fractions (Chapter 10) Measurement (Chapter 11)	mid-February March
Geometry (G) Strand	Geometry (Chapter 12) Review Math Concepts	April May

- Day-to-day pacing is left to the discretion of individual collaborative teams. Follow the district monthly pacing to help guide the daily lesson plans. (For example, complete teaching chapters 1, 2, 3, 4, and 5 by mid-November).
- Teachers are expected to use the chapter assessments regularly to guide instruction, intervention, remediation, and enrichment.
- **Trimester 1:** Chapters 1, 2, 3, 4 and 5 **Trimester 2:** Chapters 6, 7, 8, and 9
Trimester 3: Chapters 10, 11, and 12
- Optional: Prior to beginning instruction for Chapter 1, administer the *My Math* Grade 5 Placement Test (found in the *My Math Diagnostic and Placement Tests* in e-assessment).
